## EDUCATION

JAIN (Deemed-to-be University)  
2021-2025

## SKILLS

- Java
- HTML
- CSS
- Web Design
- SEO

## LANGUAGE

- Bengali
- English

## ABOUT ME

I am a recent graduate with a strong academic record, experienced in building real-time face recognition systems and researching adversarial threat detection in small-scale large language models. I have also contributed to practical projects, including enhancing chatbot responses with sentiment analysis, optimizing online bookstore search, and simplifying online room rental bookings. Skilled in Python, OpenCV, machine learning, and web development, I am eager to apply my technical abilities in a professional environment.

## EXPERIENCE

### COURSERA Internship

Foundation of Cyber Security  
20 July 2023-19 August 2023

### YBI Foundation Internship

Cyber Security  
20 November 2023- 19 December 2023

## CERTIFICATION

- Foundation of Cyber Security
- XCEL Corp USA Industrial Visit
- Network & Networks Security
- Front End Development HTML
