## ABOUT ME

As a conscientious Software Quality Assurance (SQA) Engineer, I bring hands-on experience from my previous role at NYK Advance Ltd., the internal IT wing of Max Group Bangladesh. Leveraging my B.Sc. in Computer Science and Engineering from BRAC University, I've conducted in-depth manual testing using Python and Java to ensure software systems are functional, stable, and user-ready. My skill set blends technical proficiency with strong time management, leadership, adaptability, and excellent communication. I'm detail-oriented and a strong team player, consistently seeking opportunities to enhance my capabilities and grow within the evolving field of software quality assurance and test automation.

## EXPERIENCE
