

RAKIBUL ISLAM TUSAR

(Asp.Net & C# Programmer)

Address: Shariatpur, Bangladesh

Email: rakibulislamtusar7@gmail.com

Mobile: 01612264439

CAREER OBJECTIVES

As a dedicated and enthusiastic software developer, I aim to excel in designing and building innovative solutions using modern technologies. My goal is to leverage my skills in ASP.NET, JavaScript, and database management to contribute to impactful projects while continuously growing as a professional in the software industry.

SKILL HIGHLIGHTS

| | |
|-----------------------------------|--|
| Programming Languages | : C#, JavaScript, TypeScript, jQuery. |
| Frameworks & Libraries | : ASP.NET Core, ASP.NET MVC, Entity Framework, AngularJS. |
| Database Management | : SQL Server 2019, Relational Database Design, T-SQL. |
| Web Technologies | : HTML5, CSS3, Bootstrap, AJAX. |
| Tools | : Visual Studio, SQL Server Management Studio, Git (Version Control). |
| Development Practices | : Model Binding, Master-Details Views, CRUD Operations, Validation (Data Annotations). |
| Cloud & Deployment | : Azure, MongoDB. |
| Operating Systems | : Windows. |

ABOUT PROJECT

1. Name: Task Management System (Web-based application in ASP.NET Core)

- Implemented task assignment to groups and time tracking features.
- Dashboard for viewing task status and managing groups.

2. Name: GroupChat Application (Single-Page Application using JavaScript and jQuery)

- Designed and implemented a real-time chat application with dynamic updates on a single-page interface.
- Utilized JavaScript and jQuery for responsive UI and client-side interactivity.
- Managed chat data efficiently with local storage and backend communication.
- Incorporated features such as group chat, message history, and real-time user presence.

3. Name: CRUD with Master-Details Application (Web-based application in .NET MVC)

- Developed a robust CRUD application featuring a master-details view for managing relational data.
- Implemented seamless data creation, editing, and deletion with validations and relational integrity.
- Utilized ASP.NET MVC with Entity Framework for database interactions and Razor Views for UI rendering.
- Designed and implemented model binding, annotations, and custom validations for data consistency.
- Integrated partial views and AJAX for a responsive and interactive user experience.

TRAINING & CERTIFICATIONS

WADA-61 Certification

EDUCATION

Diploma in Computer Technology (CMT): Shariatpur Polytechnic Institute

Session: 2019-2020

Result: Completed with strong academic performance.

PERSONAL STRENGTH

- Quick adaptability to new environments.
- Excellent problem-solving and analytical skills.
- Effective communication and collaboration in team settings.
- Ability to perform under pressure and meet deadlines.

PERSONAL DETAILS

| | |
|--------------------------|------------------------------|
| Father's Name | : Md. Delower Hossain Bepari |
| Mother's Name | : Mst. Shamima Begum |
| Nationality | : Bangladeshi |
| Gender | : Male |
| Marital Status | : Single |
| Date of Birth | : 01-01-2003 |
| Religion | : Islam |
| Blood Group | : A+ |
| Permanent Address | : Shariatpur, Bangladesh. |
