Career Objectives

Motivated and detail-oriented aspiring software engineer with a passion for developing scalable, efficient, and maintainable applications. Eager to gain hands-on experience by contributing to impactful projects, writing clean and reusable code, and collaborating with dynamic teams in a growth-oriented and innovative environment.

Professional Experiences

Tenax International Co. Ltd. Sep, 2024 - Ongoing
Project Coordinator - IT

Project: Smart Library, Ministry of Foreign Affairs, Bangladesh

As a Project Coordinator - IT, I managed the Smart Library project, ensuring timely delivery within scope and budget. I worked closely with stakeholders, clients, and technical teams to align project goals and maintain effective communication. I was responsible for managing IT infrastructure, supporting software development, and providing IT support.
